

Industrie Service

CERTIFICATE

The Certification Body of
TÜV SÜD Industrie Service GmbH
 (a Pressure Equipment Directive Notified Body)

certifies that the company

CEFIVAL

**35 rue du Docteur Touati
 F-95340 PERSAN**

as manufacturer of

Hot or cold finished plain and hollow sections (including tubes) in carbon steel, stainless steel and nickel alloys, machined or not, and also for rolled and welded flanges/ rings in stainless steel

according the added Annex of the scope

has implemented, operates and maintains a Quality Assurance System in accordance with the Pressure Equipment Directive 97/23/EC, Annex I, Section 4.3 and AD 2000-Merkblatt W0

The scope of the approval is described in the annex to this certificate. Further details are mentioned in report no. Z-F-16-03-CEFIVAL-2314D

An audit has verified that the relevant requirements are met.

The manufacturer is therefore authorized to issue certificates of specific product control with the scope of the assessed Quality System and in accordance with the Pressure Equipment Directive 97/23/EC and additional possible requirements according the PED Annex I. The validity of this Certificate is connected to a valid certification in accordance with ISO 9001:2008.

Certificate - no. **DGR-0036-QS-W-IS-AN1-KLT 2519594 E**
